## About Us

San Diego Alliance *for* Asian Pacific Islander Americans believes in promoting the Finest City's cherished cultural events.

We provide dragon boating as a means for the community to come together and celebrate diversity and cultural richness. Year-round, we provide resources for community teams to practice on the waters.

Every May, we hold the annual San Diego Dragon Boat Festival at Mission Bay.

On water, our festival races attract non-local teams to compete in camaraderie with our community teams.

On land, our heritage festival features Asian artists, crafts, and cuisines, and showcases cultural performances that benefit APIA youth, students, and community groups throughout the city.

## Become Our Sponsor

### Gold Level - \$250+
